Mr. Claudio Boada Vilallonga

Name

Mr. Claudio Boada Vilallonga

Biographical notes

[1953-1964 Managing Director and Director on behalf of INI in SACA and in Electro Diesel]

[1951-1970 Manager, Director on behalf of INI and second Vice President at ENASA; Director on behalf of INI in Comercial Pegaso; and in AISA]

[24-04-1970/1-2-1974 INI's Chairman]

Industrial Engineer

He had as his goal the search of efficiency and profitability through the organic and financial reorganization of the INI Group, setup new departments based on the industrial sections, and he established the Financial and Industrial Planning department for applying and following up of the planning of the activities carried

out by INI' companies. He promoted the reform of INI's Establishment Law with the [DL 20/1970](#). Companies were liquidated, merged, shareholdings in INI companies were sold, as well as some new companies were incorporated. Among other actions, INI purchased the totality of HUNOSA's capital and the majority of the capital of CASA, authorized the merger by takeover of HASA, the incorporation of ENUSA, ASTICAN, SODIGA, ENAGÁS, ERIA, ENFERSA, ENSA and CISPALSA, and INI begins to have a shareholding participation in the news agency Agencia EFE and in the shipyard ASTANO.
