

Chairman's file

Mr. Carlos Bustelo y García del Real

Name

Mr. Carlos Bustelo y García del Real

Bibliographical notes

[1973-1977 Chief Financial Officer at ENAGÁS]

[1979-1980 Minister of Industry]

[24-04-1981/22-12-1982 INI's Chairman]

He holds a degree in Law.

During his tenure, the Government took the decision to set up the Instituto Nacional de Hidrocarburos (INH) for centralizing the management of the oil, petrochemical and gas companies, until then part of INI. The ISEL company,

focused on system development, was established during his chairmanship, and INI's participation in the Airbus project begins.

As was stipulated in [Ley 21/1982, de 9 de junio, sobre medidas para la Reconversión Industrial](#) (in force until December 31st, 1982), the plans for the reorganization and privatization of state-owned enterprises began.
