

## Chairman's file

Mr. Enrique Moya Francés

### Name

Mr. Enrique Moya Francés

### Biographical notes

[1972-1974 a member of the Executive Committee in SODIGA, in ENFERSA and in ENCE].

[1972-1974 Manager in charge of INI's Chemical, Food and Several department]

[22-12-1982/03-10-1984 INI's Chairman]

A degree in Law

During his chairmanship were implemented divestments and wage restraint policies aimed at offsetting Grupo INI' losses; he proposed that the goals of any

company, either state-owned or private, should be the efficacy and profitability, but always having in mind the social and strategic goals, and promoting the collaboration between the state-owned and the private sectors. Law [27/1984 of July 26<sup>th</sup>](#) is enacted on the reorganization and reindustrialization, giving to INI the responsibility on the adjustment process. The company INIRAIL was incorporated, the company ALITEC, incorporated in 1981 began to operate, and SODICAL and ERDISA were incorporated.
